Are you willing to PUT IN PAWN to the UNHOLY THREE all of the material, mental and spiritual resources of this GREAT REPUBLIC?

FLUORIDATED WATER

1—Water containing Fluorine (rat poison—no antidote) is already the only water in many of our army camps, making it very easy for saboteurs to wipe out an entire camp personnel. If this happens, every citizen will be at the mercy of the enemy—already within our gates.

POLIO SERUM

2—Polio Serum. It is reported, has already killed and maimed children; its future effect on minds and bodies cannot be gauged. This vaccine drive is the entering wedge for nation-wide socialized medicine, by the U.S. Public Health Service, (heavily infiltrated by Russian-born doctors, according to Congressman Clare Hoffman.) In enemy hands it can destroy a whole generation.

MENTAL HYGIENE

3—Mental Hygiene is a subtle and diabolical plan of the enemy to transform a free and intelligent people into a cringing horde of zombies.

ABOUT THE COVER

Conspiracy theories and health issues have turned fluoride into an H2Outlaw. In this issue we examine bans against the chemical, as well as other bans facing the water industry.
