WATERCANADA

MAY/JUNE 2012

VOLUME 12 NUMBER 3

COVER STORY

10 The Other 99 Per Cent

What could metagenomics tell us about water that we don't already know?

BY **KERRY FREEK**

FEATURES

16 Think Like a Watershed

How would watershed governance change if we made decisions from an ecosystem perspective?

BY **OLIVER M. BRANDES AND LAURA BRANDES**

20 What's Your Risk?

A new online risk filter will bridge the gap between risk assessment and action on the ground.

BY **STACY BRADSHAW**

32 A Resilient Province

Historian Shannon Stunden Bower gets below the surface of Manitoba's flooding issues.

35 Office Space

Using less water to make tables, chairs, and filing cabinets.

37 WaterSense Update

Despite lack of funding, the program pushes onward north of the border.

BY **ALLISON HAUGH**

RURAL AND REMOTE:
SMALL SYSTEMS**22 The Long Haul**

As the effects of climate change become more apparent, Alberta's prairie farmers are going further to find water.

24 Growing Together

FCM helps neighbours evolve their water service agreements.

BY **KERRY FREEK**

28 A Test of Character

Partnerships with small communities help better understand variability in source water quality.

BY **STEPHANIE GULHERME, ANNA SCHEILI, NILUFAR ISLAM, REHAN SADIQ, ASIT MAZUMDER, MADJID MOHSENI, AND MANUEL RODRIGUEZ**

31 Wells Worth It

Properly managing private drinking water and septic systems.

BY **TERRY REES**

COLUMNS

34 Groundbreakers

Water Without Borders tasks grad students from different backgrounds with solving the world's water issues.

BY **JESSIE DAVIS**

38 Rules & Regs

Finding money to properly care for our water assets.

BY **T.D. ELLISON**

40 To Tap and Back

Backflow, cross connections, and safety.

BY **KEVIN WONG**

50 H2Opinion

BRUCE PARDY explains why he thinks environmental assessment is futile.

DEPARTMENTS

5 Editor's Note

Can Google replace the NRTEE?
BY **KERRY FREEK**

6 Comment An excerpt from Nestlé's **PETER BRABECK-LETMATHE**'s recent talk at the University of Alberta.

7 Front Compost could be next frontier for greywater, we celebrate tap drinkers, and a reader responds to last issue's article on technology verification.

42 News Jobs, awards, acquisitions, and partnerships.

44 Events The food-water nexus, water policy in Western Canada, and a rhino named Vishnu.
